'Not Just a School, But a Family'

Help me Lord to be more conscious of your presence.  
Teach me to recognise your presence in others.  
Fill my heart with gratitude for the times Your love  
has been shown to me through the care of others.  
Amen

## St James Feast Day celebration

St James day was last Sunday so we will be celebrating with a school liturgy and activities in the classrooms on Friday. The Board of Trustees will provide a sausage sizzle for the children at lunchtime.

## Leave

Mrs Colleen Gray from Room 2 will be starting maternity leave next Monday. We wish her and her family all the best as we wait for the news of their new arrival.

We welcome Mrs Aneta Matagi into the school who will be teaching in Room 2 for the rest of the year.

## LARGE computer table

We have a large corner table that we want to replace. If you or a group are interested in seeing it you may see it in Rooms 3. It is probably too big for a home table as it would need to be in a big room. It is approximately 1.50cm x 1.50cm by 72cm deep. We would let it go for no cost if you will take it away yourself.

## Attendance Dues

Accounts will come home next week for this term. It would help us a lot if you could pay promptly please.

## Parent/Teacher/Student Conferences

Thank you to those who have sent back replies for the student conferences. It is really important that the teachers and your child can share what they are doing and where they are going next in their learning. If you have not sent in a reply form please fill in the one below and your children's class teacher will be in touch.

**Please fill in the form below with times that you would be available to meet the teacher.** A note confirming the time will be sent home to you.
